

Construction Management Summer Academy for Young Women hosted by the McWhorter School of Building Science at Auburn University

2022

Community Impact Report

Giving With Purpose

Robins & Morton's Giving With Purpose initiative is guided by the compassion of our people, who identify how we can better serve the communities we call home. The following events are a sampling of service initiatives led by our teams in 2022. We are grateful for their giving spirits and their commitment to seeking out opportunities to serve.

February

In February, our Nashville teams joined together to show their support for heart health. Team members wore red in recognition of Heart Month and Wear Red Day to bring greater attention to heart disease.

March

Robins & Morton's Nashville office and local projects put together more than 100 decorating kits for patients at Monroe Carell Jr. Children's Hospital at Vanderbilt. These kits included materials to decorate pillowcases, door hangers and greeting cards to keep children occupied during their hospital stays.

April

In April, members of Robins & Morton's University of Miami and University of Miami Health System project teams joined the community in the annual 'Canes Day of Service. In conjunction with Earth Day, the teams helped with a shoreline cleanup, collecting detrimental plastics and debris on Key Biscayne and even joined a Lunch and Learn with Rosenstiel Researchers to learn about coral reef restoration.

May

In May, our Carilion Roanoke Memorial Hospital project team in Roanoke, Virginia, celebrated Rock-A-Tea Day after raising \$330 through t-shirt sales for Ronald McDonald House Charities of Southwest Virginia. To continue their support, the team will be collecting pop tabs throughout the duration of the project. The pop tabs are given to Ronald McDonald House Charities for bulk recycling, which results in a check for their operating costs. As of May 2022, the Carilion team collected enough to fill two five-gallon buckets.

June

Beginning in January, Robins & Morton partnered with Branch Builds to bring accessibility updates and improvements to the bear enclosure at Mill Mountain Zoo in Roanoke, Virginia. Over the course of six months, the joint-venture team donated their time to manage the construction and help the zoo find creative solutions to reduce the cost of materials. In June, the community celebrated the official ribbon cutting.

June

In June, Robins & Morton joined Auburn University's McWhorter School of Building Science for the 2022 Construction Management for Young Women Camp in Auburn, Alabama. The camp hosted 14 young women in 11th and 12th grade from various high schools to teach them about the exciting and diverse career opportunities available in construction management.

July

When Project Safety Manager David Windsor heard a radio broadcast requesting food donations at the local animal shelter, he knew the Marshall Medical Center South team could help. They collected and donated 286 pounds of food to Second Chance Animal Shelter in Boaz, Alabama.

August

In August, our AdventHealth Riverview and Marshall Medical Center South teams worked with local schools for back-to-school drives. The Riverview team in Tampa, Florida, collected more than \$8,100 worth of school supplies. The Marshall Medical Center South team in Boaz, Alabama, also collected items to donate, such as backpacks, pencils, crayons, glue sticks and more. ERS pitched in by donating hand sanitizer, disinfectant and tissues.

September

In September, Robins & Morton's AdventHealth Riverview team sponsored and attended the 2022 Quest for Hope Event. The team participated in a scavenger hunt around Ybor City and dressed in themed costumes to win prizes and awards. Proceeds for this fun-filled event benefited 1Voice Foundation, a nonprofit foundation that supports children with cancer and their families by connecting them with financial, emotional and educational care while funding research for a cure.

September

Robins & Morton pledged a total of \$310,000 to United Way of Central Alabama in the 2022 United Way Campaign. United Way supports more than 100 partner agencies and programs in Central Alabama, improving the lives of individuals and families in our communities.

November

The team at King's Daughter Medical Center in Ashland, Kentucky, collected and donated more than 400 pounds of nonperishable food to The Neighborhood, a local nonprofit serving the tri-state area. The NextGen Young Professionals Groups of Tampa and Birmingham, project team members in Greenville, Mississippi, and office teams in Raleigh and Spartanburg also participated in food donation drives and meal-serving events during the holiday season.

December

The CaroMont Regional Medical Center - Belmont project team held a jobsite-wide toy drive benefiting Toys for Tots. The Marshall Medical Center team in Boaz, Alabama, as well as project team members in Charlotte, San Antonio and Miami, also participated in holiday season toy drives and donation events. The team at Rusk State Hospital in Rusk, Texas, raised \$3,150 for local charity Tree of Promise and its Dream Tree program, which shares the joy of Christmas with families and supplies gifts for children during the holiday season.

In 2022, Robins & Morton contributed more than

\$2.3 Million

to charitable organizations, including **\$675,000** to community-related organizations and **\$1.7 Million** for causes in partnership with clients and industry partners.

We gave to more than 140 organizations.

Robins & Morton team members spent 2,151 hours (~90 days) volunteering with their colleagues.

They spent 5,281 hours (~220 days) volunteering in their free time.
