Giving With Purpose

Robins & Morton's Giving With Purpose initiative is guided by the compassion of our people, who identify how we can better serve the communities we call home. The following events are a sampling of service initiatives led by our teams in 2024. We are grateful for their giving spirits and their commitment to seeking out opportunities to serve.

January

Two of our team members had the opportunity to speak to a local Boys & Girls Clubs group about their journeys in construction and what a career path could look like for them.

Assistant Superintendent Jamal Crooks and Field Engineer Kaylan Vasquez visited Boys & Girls Clubs of Miami-Dade and shared their stories with high schoolers who are part of the Workforce Readiness Program.

March

Our Miami—Fort Lauderdale team members crossed the finish line at Dolphins Challenge Cancer XIV. Team members, family, and friends participated in the 13-mile Dan Marino ride, the 39-mile Larry Csonka ride presented by Robins & Morton, and the 99-mile Jason Taylor ride. Others ran the 5K and cheered on our team. The annual event's purpose is to improve people's lives through financial support for innovative cancer research at Sylvester Comprehensive Cancer Center, part of the University of Miami Health System. This year had record-breaking participation and fundraising, and our team was excited to raise nearly \$16,000!

April

Our Raleigh team members provided guidance and instruction to a team of students as part of the 2024 Student Hands-on Experience Day (SHED) competition. Dozens of Wake County, North Carolina, high school students participated in the shed-building competition, led by Connect for Success NC. The annual event gives students the opportunity to explore what a potential career in construction could be like.

September

Our South Carolina and Harrah's Cherokee Valley River expansion teams recently partnered with the Roc Solid Foundation, an organization dedicated to building hope for children fighting cancer. The foundation provides playsets for children as an escape and a way for them and their families to create happy memories. Our Self Regional Healthcare project team in Greenwood, South Carolina, and our Fifth Third Park project team in Spartanburg, South Carolina, joined together to build a playset for Zoey and her family in Anderson, South Carolina. Our Harrah's Cherokee Valley River Casino and Hotel project team built a playset for Louella and her family in Waynesville, North Carolina. They also donated clothes, toys, school supplies, and a gift card.
